## PROFILE

Three years experience in developing, designing, and producing concepts for Web based content. Proficient in Adobe suite, 3ds Max, and various video/audio based software. Served as a Web Developer for a company that produced online marketing content for Sony Pictures Home Entertainment. Accustomed to working with a team in a productive environment.

## WORK EXPERIENCE

### **Web Developer, Brass Creative, Denver, CO 2007-pres** [brasscreative.com](http://brasscreative.com)

Developed Online Marketing content for DVD releases commissioned by Sony Pictures Home Entertainment. Worked with a three person team to design and develop all content from design phase through final development. Title Sites, Amazon mini-sites, banner ads, emailers, and other content for major DVD releases (Hancock, Step Brothers, Superbad are some examples).

## FREELANCE WEB DEVELOPMENT

### **Armada Ski's, Costa Mesa, CA 2009** [armadaskis.com](http://armadaskis.com)

Redesigned and developed the 2009 website for one of the largest and fastest growing companies within the ski industry. Integrated dynamic flash content with html/css techniques to deliver a unique user experience. Site features include community section, video podcast, product galleries and a custom CMS.

### **Terrace Views, Denver, CO 2009** [terraceviews.com](http://terraceviews.com)

Designed and Developed a hybrid website to market the services of a interior/exterior design firm specializing in Outdoor Living design. Used Flash AS 2.0 techniques to deliver an interactive user experience.

### **Elegant Cabinetry, Vail, CO 2008** [elegantcabinetry.com](http://elegantcabinetry.com)

Designed and Developed a flash based website that showcased the companies work to help grow their clientele. Used Flash fullscreen techniques and AS 2.0 to deliver a dynamic website for a leading company in the Vail Valley.

### **Lisa Pilgrim, Los Angeles, CA 2008** [lisapilgrim.com](http://lisapilgrim.com)

Designed and Developed an informational and biographical website to help Lisa further her career as a TV host, event host, and lifestyle reporter. Created a gallery of powerful photography to market the look and appeal that Lisa has to offer.

### **Chris DelBosco, Vail, CO 2008** [chrisdelbosco.com](http://chrisdelbosco.com)

Designed and Developed a wordpress website for professional skier Chris DelBosco to promote and endorse his journey to the 2012 Winter Olympics in Vancouver, B.C. The website features a custom wordpress theme and plugin integration to deliver up to date content to the user.

### **Rocky Mountain Bicycles, Delta BC Canada 2008** [rockydemotour.com](http://rockydemotour.com) (no longer online)

Designed and Developed a flash microsite to deliver information for the 2008 deomo tour of Rocky Mountain Bicycles, a leading company in the cycling industry. Used dynamic flash content to feature tour dates, product available for demo, and information about the company.

### **Namlo International, Denver, CO 2007** [namlo.org](http://namlo.org)

Contributed to a school group project to redesign and develop a website for a non-profit company that helps to build schools and improve life in Nicaragua and Nepal.
